QUINTA JUSTA · PSYCHOLOGY

BEETHOVEN'S OVERCOMPENSATION

Alfred Adler defined overcompensation: when extreme physical vulnerability sparks an unprecedented eruption of power.

THE REVOLUTION

THE EROICA BREAKTHROUGH

Instead of surrendering, Beethoven composed the 3rd Symphony, tearing down classical decorum forever.

ACOUSTIC INTELLECT

Physical silence forced him into an interior acoustic universe far bolder than any hearing composer could conceive.

VULNERABILITY AS POWER

Eroica is not about Napoleon: it is the psychological chronicle of a human being conquering his own despair.
