QUINTA JUSTA · MPB & THEORY

LACAN'S BAIÃO

What happens when French psychoanalytic theory collides with the gritty harmonic genius of Rio de Janeiro?

THE DUO

GUINGA & ALDIR BLANC

Guinga and Aldir Blanc composed 'Baião de Lacan', infusing sophisticated contrapuntal irony into popular song.

THEORY WITHOUT PEDANTRY

Brazilian song digests complex philosophy and returns it with street poetry, rhythmic swagger, and profound melancholia.

BORROMEAN HARMONY

Between dissonant guitar chords and biting lyrics, the track plays with Lacan's knots, neuroses, and suburban longing.

THE TROPICAL RESPONSE

We don't bow to foreign intellectualism: we translate it into music that makes the mind think and the soul vibrate.
